

Mr Anthony J Vivian
BSc MBBS FRCS FRCOphth

Consultant Ophthalmologist specialising in paediatric ophthalmology and the treatment of squint in children and adults.

Training:

Junior ophthalmology training in Southampton, UK
Senior Registrar training: Moorfields Eye Hospital, London, UK
Specialist Oculoplastic training: Moorfields Eye Hospital, London, UK
Fellowship in Paediatric Ophthalmology: Hospital for Sick Children, Great Ormond St, London, UK

Current Positions:

Consultant Ophthalmologist at:
Eye Treatment Centre, West Suffolk Hospital, Bury St Edmunds
Addenbrookes Hospital, Cambridge
Nuffield Hospital, Bury St Edmunds

SPECIAL INTERESTS

Clinical:

- Paediatric ophthalmology: assessment and management of inherited diseases, neuro-ophthalmology, ROP screening
- Strabismus: Assessment and management of childhood and adult squint, amblyopia, adjustable sutures, botulinum toxin.
- Oculoplastics and lacrimal surgery: ptosis correction (especially childhood ptosis), minor lid reconstruction, management of childhood epiphora (including Crawford tubes) and Endonasal dacryocystorhinostomy.

Research:

- Molecular genetic defects underlying ocular developmental abnormalities
- Prospective assessment of the surgical and optical management of convergence excess esotropia
